

5. Launching Audacity.

At the end of this lesson you will be able to demonstrate how to launch Audacity. There are different ways to open Audacity and you can choose from three different methods as shown in this lesson.

Method One:

Launch Audacity by double clicking the Audacity icon on your desktop. The Audacity interface opens.

Figure 5.1 Audacity icon

Method Two:

Go to **Start > All Programs > Audacity**

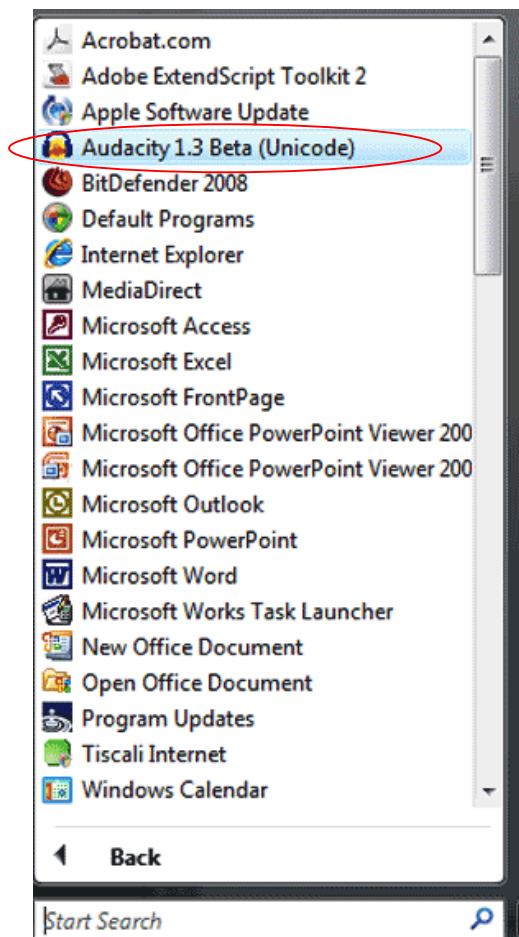

Figure 5.2 Opening Audacity

Method Three:

Click on the start button and type **a** into the 'Start Search' text field. Locate the Audacity program.

Step Two:

The Audacity interface will open

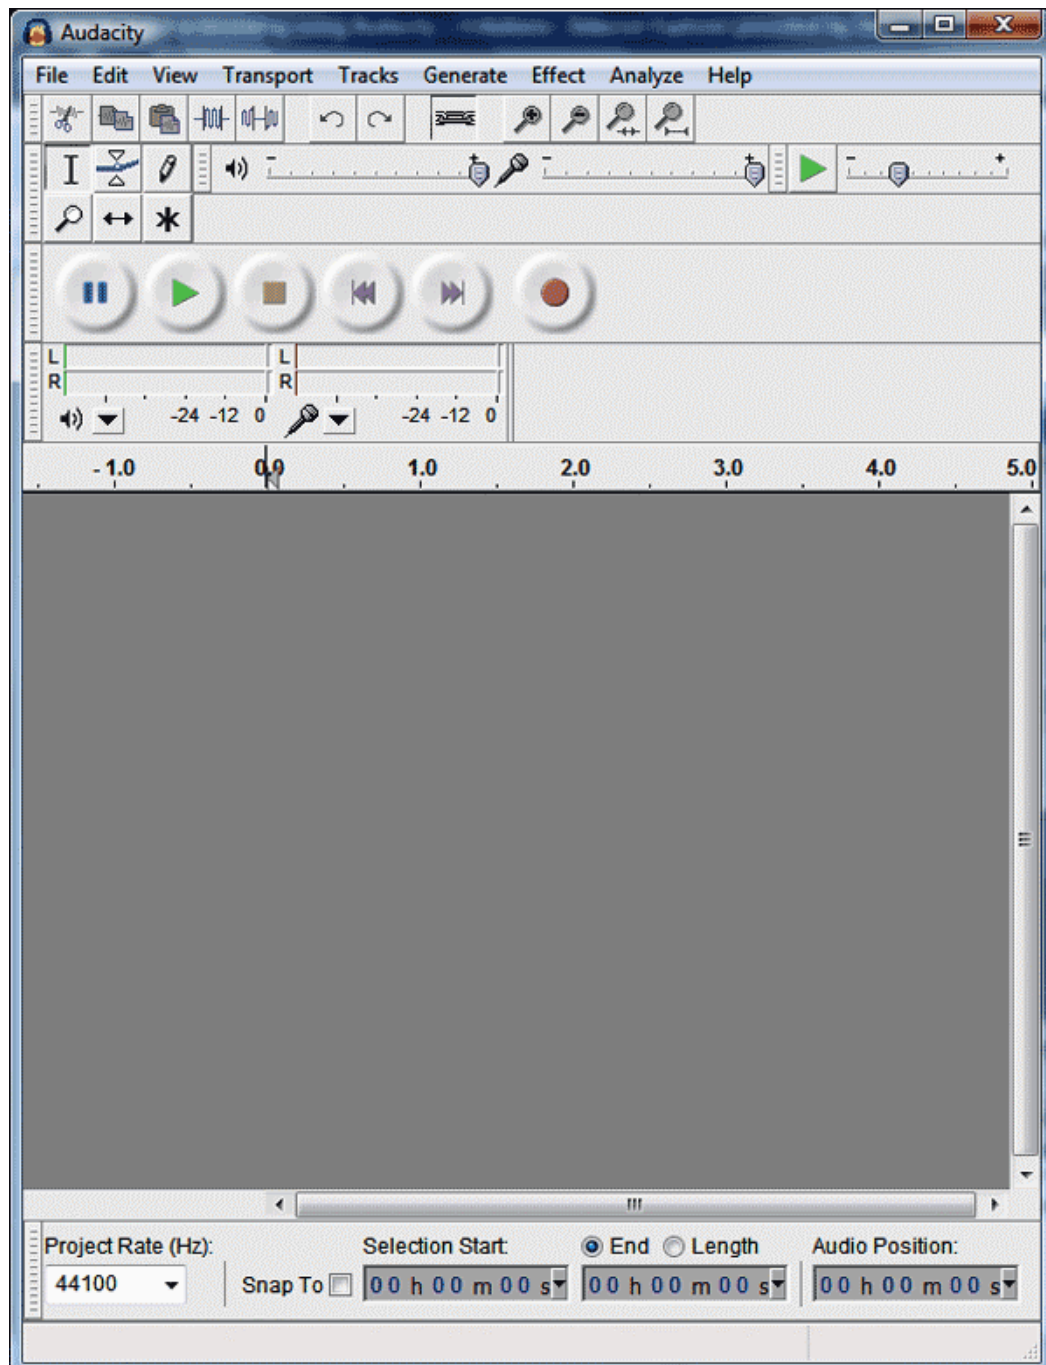

Figure 5.4 Audacity Interface

Review all three methods and use the method you prefer to launch Audacity.

In the next lesson we will identify the features of Audacity.
